OUR HISTORY

FIESTA MEXICANA, MEXICAN RESTAURANT IS A DREAM COME TRUE. THANKS TO THE SUPPORT OF OUR CUSTOMERS, THE SOLID UNION OF OUR FAMILY AND THE PRINCIPLES THAT OUR PARENTS GRANTED US.

We are a chain of restaurants founded by the Murillo family, originating from San Miguel el Alto, Jalisco, Mexico.

It all started in 2005 when the brothers Marco, Felipe, Víctor, Miguel and their cousin, Juan, all with the last name Murillo, and their brother in law, Ponciano Gomez, managed to make their dream of opening their own Mexican restaurant come true. This dream came true in the city of Bozeman, Montana. We knew we could count on the full support of our family.

Our parents came to the United States following the American dream in the 1970s, specifically to Tuxon, Arizona. They lived there with the firm objective of bringing the flavors of Mexico to your palates. Then had to return to our hometown for family reasons, but even with our family reasons we still had that mindset of opening a restaurant for people to enjoy. Years later in (1990s) we were able to return to the United States and live in Idaho where we worked for another mexican restaurant for a couple years. Few years later, we had the opportunity to open our own mexican restaurant in Montana in 2004. When we moved here, people were really welcoming and made starts to a lot of good friendships and nice customers.

All dishes are made with original and authentic recipes created by the owners of the restaurant, with a touch of Mexican flavors that characterizes our dishes.

We currently have 5 restaurants in the State Of Montana and thanks to all the people in Bozeman and all the places we were able to open up. We have 18 years of pleasing them with our Mexican gastronomy.
